Netball Captain	Florence Rees	
Netball Vice Captain	Harriet Potter	
Tennis Captain	Sophia Johnston	
Theatre Captain/ Artistic Director	Natasha Hachem	
Captains of Technical Theatre	Wells Fray Smith Florence Rees	

Sports Fixtures

There is much extra-curricular sport available at Godolphin and Latymer with practices before school, at lunchtimes and fixtures after school. Teams are posted on the notice board a week in advance of the game and girls are asked to acknowledge that they have seen the list and are able to play by ticking in the box next to their name. Should a girl be unable to play, she should see the Team Captain and member of staff in charge of the team so that a replacement may be found. This should not happen on the same day as the match as it is impossible and, indeed, unfair to ask another girl to participate at such short notice.

Squads are announced after trials at the start of the Autumn Term. All squad members are expected to attend all practices which will either be before school, lunchtime or after school. Frequent absences from training will mean that a girl will be dropped from the squad.

Uniform for squads: travel in school tracksuit bottoms or black skort. Black skort to be worn during match, white polo shirt, white socks, hoodie.

Uniform for squads in LV - Sixth Form: travel in school tracksuit bottoms (senior squads), red skort to be worn during match, red/white shirt, white socks, hoodie.

Only white-laced trainers are acceptable in both PE lessons and matches.

Girls are representing the school and are, therefore, expected to behave and dress in a way which is a credit to themselves and the school, both on and off the pitch or court.

Finally, support from parents, friends and relatives is always welcome. We hope to see you there.

Match cancellations

Sometimes matches are cancelled at late notice due to bad weather or transport problems. When playing local schools we normally make a decision at 1.45pm if the weather is poor. If this should happen a note is put on the board and the girls are asked to come to the Physical Education office and changing area to ring home either on their mobiles or using the Physical Education office telephone. Reception is also informed, so parents can ring to check if the match is being played.

A PROVISIONAL GUIDE TO SCHOOL VISITS 2010-2011

AUTUMN 2010
