

The Old Dolphins' Courtyard

A place for Old Dolphins at Godolphin and Latymer

At the entrance to The Bishop Centre is a courtyard for Old Dolphins and the school community. Many Old Dolphins have made dedications in stone to a friend or family member, a favourite teacher or simply an inscription with their own name. This is your opportunity to join them. Dedications can be made on a courtyard brick, paving stone or on a bench.

Your gift will make a unique contribution to the *Building the Future* campaign which in turn has a significant impact on the school and the future of G&L pupils.

Up to three lines of 14 characters (including hyphens or spaces) can be engraved on a brick. For paving stones or benches, further text can be accommodated, please contact the Development Office to discuss your design.

Please complete this form and return it with your gift to The Development Office. Contact us at the address below or on 020 8735 9550 if you have any questions or need more information.
