Sponsor a Seat - Contemporary Wooden Chairs dedicated with a plaque

The Bishop Centre is a unique and innovative building. To be fully utilised for assemblies, performances, exams and other events the space has 800 chairs. You are invited to play a unique part in the building’s future by sponsoring one of these seats.

Each chair can have a plaque affixed on the rear which can be engraved with the name of your choice; you could dedicate your seat to a friend or family member, or simply have it inscribed with your own name for a subscription of £400. Up to two lines of 14 characters each (including hyphens or spaces) can be engraved on the plaque.

Please complete this form and return it with your gift to The Development Office. Contact us at the address below or on 020 8735 9550 if you have any questions or need more information.
